Sheep Ireland Euro-Stars

Background

The Sheep Euro-Star breeding index for sheep that were bred in flocks that participated in the LambPlus Sheep Breeding Scheme has been developed by Sheep Ireland and reflects how much Profit (€) a sheep farmer can expect to realize from making a breeding decision. They are designed to help farmers increase returns from sheepbreeding and are based on available data on all animals in the Sheep Ireland Breeding Database.

Euro-Stars – What do they mean?

Overall Sheep Value	Measure of the Overall Sheep Value of an animal - combines Sub-Indices together.
Production Index	Measure of genetic merit of a Sheep for Terminal traits.
Maternal Index	Measure of genetic merit of a Sheep for Maternal traits.
Lambing Index	Measure of genetic merit of a Sheep for Lambing traits.

Euro-Stars - Where does the information come from?

Index	Information Source
Production	1. Individual On-Farm Weights (Birth, 40 days old and Weaning). 2. Days to Slaughter. 3. Ultrasound Muscle & Fat Scanning.
Maternal	1. Lambing Ease. 2. Weaning Weight. 3. Ultrasound Muscle & Fat Scanning. 4. Lambing Survival.
Lambing	1. Lambing Ease. 2. Lambing Survival.
Other Key Traits	Lamb Survival: Is calculated directly from data recorded on farms. Days to Slaughter: Predicated from 40 day weights, weaning weights and scanning weights.
Accuracy %	This is an indication of how much confidence can be placed in the evaluations.
% Rank	Shows how far into the Star Rating the sheep is placed. 5 Stars = Top 20% of the Breed. 4 Stars = Between Top 40% and Top 20% of the Breed. 3 Stars = Breed Average. 2 Stars = Between Bottom 40% & Bottom 20% of the Breed. 1 Star = Bottom 20% of the Breed.

LambPlus^(R)

LambPlus^(R) is the Sheep Ireland Breeding Information Service for both Pedigree and Commercial sheep farmers. LambPlus^(R) will record relevant on farm data submitted by the farmers and flock owners will then get genetic evaluations and flock reports that will allow them to compare their flock's performance with other LambPlus users.

To find out more about 'LambPlus', call Sheep Ireland today on 1850-600-900 or (www.sheep.ie).

Irish Vendéen Sheep Society - Special Sale Rules

1. All Pedigree Sheep to be sold in Euro.
2. A commission will be charged to the buyer of 5% of the purchase price + VAT at 4.3% on the commission.
3. The Auctioneers will pass from any pedigree animal not receiving bids to the value of €250 for males. Bids will be sought in increments at the Auctioneers discretion.
4. Any animals in the Sale Premises which are sold by private treaty after the Auction are subject to the full commission on the price realised and all such transactions must be passed through the Auctioneers.
5. All Sheep offered for sale at one year old or older are to be bare clipped after the 1st April preceding the sale. No sheep are to be dressed apart from tidying heads and legs. Tails may be squared off.
6. All sheep to be sold in the appropriate class and in the owner's flock group. All sheep born on or after 1st December 2010 are classified as lambs. Those born between 1st December 2009 and 30th November 2010 are classified as shearlings.
7. The order of sale in each group was by ballot (arranged by the Sales Committee). Each lot will be sold before the next lot is commenced. If unsold, lots 1 to 5 in the sale may be re-run at the end of the sale. No other re-runs are permitted. The Champion and Reserve Champion may be sold anywhere with the Champion having first option of selling order.
8. All sheep to be sold singly and will be identified by lot number.
9. All sheep will be presented for inspection and weighing before being penned for sale at the stated times. The decision of the inspectors will be final.
10. The sales committee has made every effort to ensure that the information presented is accurate and correct as supplied by the Vendor. The Irish Vendéen Sheep Society and its sales committee accept no liability for any errors therein or any consequences of such errors.

The following minimum weight limits apply: Shearling rams: 85 kg; Ram lambs: 65 kg
